

Współpracujemy z fundacjami

Współpraca angielskich firm z fundacjami spowodowała duże zmiany w sposobie pozyskiwania odzieży używanej od 2007r. Od tamtej chwili firmy rozwożą w swoim rejonie fundacyjne woreczki z przesłaniem na jaki konkretny cel są zbierane fundusze w fundacji którą reprezentują. Anglicy bardzo chętnie oddają na konkretny cel swoją odzież, obuwie i inne artykuły gospodarstwa domowego których już nie używają. Mają świadomość, iż poprzez zbiórki odzieży używanej pomagają potrzebującym w konkretnym określonym celu.

Dzięki opisywanej przez nas metodzie door to door zbierana odzież jest lepszej jakości i zawiera głównie dobrej jakości odzież używaną damską, męską oraz dziecięcą poza tym mogą występować perfumy, szkatułki, portmonetki, biżuteria itp.

Obok przedstawiamy kilka fundacji, z którymi nasza firma współpracuje za pośrednictwem angielskich firm.
